Speaker | Podcast Host

Beau Billington is the founder of the Free Agent, an agency that provides access to a vetted bench of battle-tested experts that work directly with technology companies in hyper-growth. Our executive leaders have backgrounds in Sales, Marketing, Technology, Operations, and Finance and are available on a Fractional, Interim, or Full-time basis. The Free Agent works across a multitude of industries and disciplines, with a keen focus on companies with revenues ranging from \$6M-\$50M.

What's being said about The Free Agent:

"One of the most valuable takeaways we've gotten from using The Free Agent is the outside perspective and knowledge from those we've worked with that we didn't realize we needed. That's Priceless."

"The depth of experience and industries is impressive. I love the fact that they are not one-dimensional, ensuring I can fill a myriad of mission critical gaps at a moment's notice."

"The Free Agent brings the world's most experienced talent to your doorstep. In terms of time to market and ROI, I haven't come across anything more impressive."
